

# BE PART OF ROMER ACADEMY'S ADVENTURE IN ZANZIBAR

## WHO WE ARE

African Adventures is an award-winning organisation, specialising in educational trips and dedicated to improving lives in the UK and Africa.

Since 2009, we have organised trips for over 5000 volunteers, providing practical and financial support to schools in developing areas of Ghana, Kenya and Zanzibar, and impacting the lives of the 20,000 children that attend. We are committed to working responsibly, and to creating real and positive change in the world.

We pride ourselves on our friendly and professional approach to organising your trip, and our experienced team are always on hand with support and guidance to help you prepare for your adventure.

**CHALLENGING, REWARDING, AND  
EXTREMELY WORTHWHILE.**

## YOUR ROLE IN ZANZIBAR

You can choose from two volunteer roles whilst in Africa:

### TEACHING & MULTI-SPORTS

Interaction with the children is at the heart of this role. Activities include: assisting teachers with lessons, reading stories, preparing meals, and playing games and sports. The enthusiasm from the children, who are so eager to learn, makes this role so rewarding.

### BUILDING & RENOVATION

With overcrowding an issue at our partner schools, improved facilities are needed to accommodate growing numbers and create more, and better, learning spaces for the children. Clear progress makes this role feel so worthwhile.
