5 **TERMINATION**

5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2020 or any subsequent anniversary of that date.

Notice of Intention to Terminate by Company

5.2 The Secretary of State shall, at a date preceding the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the Company by way of GAG and EAG in the next following Academy Financial Year (the "Indicative Funding"). If the Company is of the

Multi 16 to 19 Free School Model

opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the “Critical Year”) and of the taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company (“All Other Resources”), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.3 Any notice given by the Company under clause 5.2 shall be in writing and shall be served on the Secretary of State not later than 28 February preceding the Critical Year or, if the Secretary of State shall not have given notice of the Indicative Funding to the Company on or before the date specified in clause 5.2 above, within six weeks after the Secretary of State shall have done so. The notice must specify:

5.3.1. the grounds upon which the Company’s opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which such steps will be taken; and

5.3.2. the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the Company to run the Academy and the projected expenditure on the Academy; and

Multi 16 to 19 Free School Model

- 5.3.3. a detailed budget of income and expenditure for the Academy during the Critical Year (the “Projected Budget”).
- 5.4 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.
- 5.5 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the “Expert”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “Shortfall”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree upon the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.
- 5.6 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree upon the appointment of the educational specialist then the educational specialist shall be appointed by the Chairman for the time being of the Specialist Schools and

Academies Trust. The educational specialist's fees shall be borne equally between the parties.

- 5.7 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State shall not have agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August prior to the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination shall have been given to the parties or (b), if later, the Secretary of State shall have given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

Termination Warning Notice

5.7A The Secretary of State shall be entitled to issue to the Company a written notice of his intention to terminate this Agreement ("Termination Warning Notice") where he considers that:
