

Trafalgar College Admissions Policy

The policy owner is:	Admissions and Safeguarding Manager
This policy was ratified by the Trust Board on:	
This policy will be reviewed ¹ by the Trust Board in:	Autumn 2018
Policy Version:	Autumn 2017 – v1

¹ Where the admission arrangements have not changed from the previous year there is no requirement for admission authorities to consult, subject to the requirement that admission authorities must consult on their admission arrangements at least one every seven years, even if there have been no changes during that period.

1. Introduction

- 1.1 This document sets out the admission arrangements for Trafalgar College (“the college”) for the academic year 2018/19 and beyond.
- 1.2 Inspiration Trust is the admissions authority for the college.

2. Admission numbers

- 2.1 The college has an agreed published admission number (PAN) of 150 pupils in year 7 and, from September 2021 onwards, 70 in year 12.

3. Consideration of applications

- 3.1 Arrangements for application for places at the college will be made in accordance with the Local Authority’s (LA) co-ordinated admission arrangements and will be made on the common application form provided and administered by the LA. The timetable for applications is in line with that of the LA.
- 3.2 The college will consider all applications for places that meet the criteria set by the LA’s co-ordinated admission arrangements. Where fewer applications for places than the PAN for the relevant age group are received, the college will offer places to all those who have applied.
- 3.3 Late applications received after the closing date will be included only if the reason for the delay is considered exceptional and appropriate evidence has been provided. Other late applications will not be considered until after applications received by the closing date have been dealt with.

4. Procedures where the college is oversubscribed

- 4.1 After the admission of pupils with an education, health and care plan naming the college, if there are more applications for places than there are places available, we will give preference to children living nearest to the college, according to the following rules in this order of priority:
 - Children in the care of a Local Authority (looked after children) or previously looked after children
 - Children who have a sibling² on roll at the college at the time of the proposed admission
 - Children of staff working for the school
 - Children living nearest the college, by straight line distance from the main entrance to the college to the main entrance of the child’s home
- 4.2 Where the admission of children from multiple births would lead to exceeding the PAN, those siblings will be admitted over PAN as permitted by infant class size rules.

² Sibling includes a full brother or sister, adopted brother or sister, or a half or step brother or sister who is living at the same address

- 4.3 Where a child lives with parents with shared responsibility, each for part of a week, the address where the child lives is determined using a joint declaration from the parents stating the pattern of residence. If a child's residence is split equally between both parents, then parents will be asked to determine which is the residential address for the purpose of admission to the college. If the residence is not split equally between both parents then the address used will be the address where the child spends the majority of the college week.
- 4.4 If the college is unable to distinguish between applicants using the published criteria, places will be offered via a random draw which will be supervised by an individual who is independent of the college.

5. Admission of children outside their normal age group

- 5.1 Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting his or her schooling. All such requests will be considered on their merits and either agreed or refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.
- 5.2 The process for requesting such an admission is as follows:

With the application, parents should request that the child is admitted to another year group (state which one), and the reasons for that request.

Parents will submit any evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc. Some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

- 5.3 The college will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal.
- 5.4 Requests for admission out of the normal year group will be considered alongside other applications made at the same time. An application from a child who would 'normally' be a year 1 child for a reception place will be considered alongside applications for reception.

6. Waiting lists

- 6.1 In line with the provisions regarding waiting lists in the LA's co-ordinated admission scheme, the college will operate a waiting list managed by the LA until the end of the autumn term.

6.2 Where places become available they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

7. Appeals

7.1 All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

7.2 Information on how to appeal and the timetable of the appeals process is on our website at <http://www.inspirationtrust.org/page/?title=Admissions&pid=336>

8. In year applications (applications for admission to the college *outside* the normal admissions round)

8.1 Subject to any provisions in the LA's published and agreed guidance for in-year school transfers and for applications submitted for years other than the normal year of entry, the college will consider all such applications and, if the year group applied for has a space available, admit the child unless one of the permitted reliefs apply. If more applications are received than there are places available the oversubscription criteria shall apply.

9. Sixth form applications

9.1 Applications will be made in line with local arrangements, or directly to the institution itself. Currently, this would mean using the 'Help You Choose' website.

9.2 The college will publish specific criteria in its sixth form prospectus in relation to minimum academic entrance requirements for admission or transfer to the post-16 provision. Both internal and external pupils wishing to enter the sixth form will be expected to have met the minimum academic entry requirements for the sixth form.

9.3 In addition to the sixth form's minimum academic entry requirements, pupils will need to satisfy minimum entrance requirements for the courses for which they are applying. If either internal or external applicants fail to meet the minimum course requirements they will be given the option of pursuing any alternative courses for which they do meet the minimum academic requirements.

10. Sixth form oversubscription criteria

10.1 Where there are more external applicants that satisfy and academic entry requirements than the number of post-16 places available and after the admission of pupils with an education, health and care plan naming the college, the criteria will be applied in the order in which they are set out below:

- Children in the care of a Local Authority (looked after children) or previously looked after children
- Current year 11 pupils at the college who wish to transfer into the sixth form

- Children who have a sibling³ on roll at the college at the time of the proposed admission
- Children of staff working for the school
- Children living nearest the college, by straight line distance from the main entrance to the college to the main entrance of the child's home

10.2 Internal applicants refused transfer and external applicants refused admission have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

10.3 Information on how to appeal and the timetable of the appeals process is on our website at <http://www.inspirationtrust.org/page/?title=Admissions&pid=336>

11. Other information

11.1 If false or misleading information is used to gain entry to the college, the offer of a place may be withdrawn.

11.2 The child's birth certificate or identity card will need to be seen and a copy will be retained by the college.

³ Sibling includes a full brother or sister, adopted brother or sister, or a half or step brother or sister who is living at the same address
