4B **LAND NOTICES**

4B.1 The Company shall, within 14 days of receiving any order, notice, proposal, demand or any other requirement materially affecting the Company's ability to use the Land for the purposes of the Academy from any competent authority, give full particulars by written notice to the Secretary of State and deliver to the Secretary of State copies of such documents as he may require. The notice shall state what steps, if any actions are required, the Company intends to take in response to the order, notice, proposal, demand or other requirement affecting the Land.

4B.2 The Company will at its own cost provide all information reasonably required by the Secretary of State in respect of an order, notice, proposal, demand or any other requirement affecting the Land referred to in clause 4B.1.

4B.3 Following the receipt by the Secretary of State of the written notice under clause 4B.1, the Company shall permit the Secretary of State to take all steps in conjunction with or instead of the Company as may be necessary to comply with any order, notice, proposal, demand or other requirement affecting the Land referred to in the notice. The Company shall, in such circumstances, use all reasonable endeavours to assist the Secretary of State to take the appropriate required steps.

5 **TERMINATION**

5.1 Either party may give not less than seven Academy Financial Years' written notice to terminate this Agreement, such notice to expire on 31 August 2021 or any anniversary of that date.

Notice of Intention to Terminate by Company

5.2 The Secretary of State shall, at a date before the start of each Academy Financial Year, provide to the Company an indication of the level of funding to be provided by the Secretary of State to the

Company by way of GAG and EAG in the next following Academy Financial Year (the “**Indicative Funding**”). If the Company is of the opinion that, after receipt of the Indicative Funding for the next following Academy Financial Year (the “**Critical Year**”) and taking into account all other resources available and likely to be available to the Academy, including such funds as are set out in clause 73 of the Master Agreement and such other funds as are and likely to be available to the Academy from other academies operated by the Company (“**All Other Resources**”), it is likely that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding, to become insolvent (and for this reason only) then the Company may give notice of its intention to terminate this Agreement at the end of the then current Academy Financial Year.

5.3 Any notice given by the Company under clause 5.2 shall be in writing and shall be served on the Secretary of State not later than 28 February immediately preceding the Critical Year or, if the Secretary of State has not given notice of the Indicative Funding to the Company on or before the date specified in clause 5.2, within six weeks after the Secretary of State has done so. The notice must specify:

5.3.1. the grounds on which the Company’s opinion is based and include the evidence of those grounds and any professional accounting advice the Company has received and including a detailed statement of steps which the Company proposes to take with a view to ensuring that as soon as reasonably practicable the costs of running the Academy are reduced sufficiently to ensure that such costs are less than the Indicative Funding and All Other Resources and the period of time within which those steps will be taken;

5.3.2. the shortfall in the Critical Year between the Indicative Funding and All Other Resources expected to be available to the

Company to run the Academy and the projected expenditure on the Academy; and

- 5.3.3. a detailed budget of income and expenditure for the Academy during the Critical Year (the “**Projected Budget**”).
- 5.4 Both parties undertake to use their best endeavours to agree whether or not the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent. Both parties recognise that they will need to engage in a constructive dialogue at the time about how best to provide education for the pupils at the Academy and undertake to use their best endeavours to agree a practical solution to the problem.
- 5.5 If no agreement is reached by 30 April (or such other date as may be agreed between the parties) as to whether the cost of running the Academy during the Critical Year on the basis of the Indicative Funding and All Other Resources would cause the Company to become insolvent, then that question shall be referred to an independent expert (the “**Expert**”) for resolution. The Expert’s determination shall be final and binding on both parties. The Expert shall be requested to specify in his determination the amount of the shortfall in funding (the “**Shortfall**”). The Expert shall be an insolvency practitioner with significant professional experience of educational institutions or academies. If the parties fail to agree on the appointment of the Expert then the Expert shall be appointed by the President for the time being of the Institute of Chartered Accountants in England and Wales. The Expert’s fees shall be borne equally between the parties.
- 5.6 The Expert shall be required in reaching his determination to take account of advice from an educational specialist who is professionally familiar with the issues arising from the budget management of large schools. If the parties fail to agree on the appointment of the educational specialist then the educational specialist shall be appointed

by the Chairman for the time being of the Specialist Schools and Academies Trust. The educational specialist's fees shall be borne equally between the parties.

- 5.7 If the Expert determines that the cost of running the Academy during the Critical Year would cause the Company, on the basis of the Indicative Funding and All Other Resources, to become insolvent, and the Secretary of State has not agreed to provide sufficient additional funding to cover the Shortfall, then the Company shall be entitled to terminate this Agreement, by notice expiring on 31 August before the Critical Year. Any such notice shall be given within 21 days after (a) the Expert's determination has been given to the parties or (b), if later, the Secretary of State has given written notice of his refusal to provide sufficient additional funding for the Academy to cover the Shortfall.

Termination Warning Notice

5.7A The Secretary of State shall be entitled to issue to the Company a written notice of his intention to terminate this Agreement ("**Termination Warning Notice**") where he considers that:

- a) the Academy is no longer meeting the requirements set out in clause 12 of the Master Agreement (subject to clause 5.11);
- b) the conditions and requirements set out in clauses 2.2 and 2.3 of this Agreement and clauses 13-34C of the Master Agreement (where applicable to a Mainstream Free School) are no longer being met;
- c) the standards of performance of pupils at the Academy are unacceptably low;
- d) there has been a serious breakdown in the way the Academy is managed or governed;
- e) the safety of pupils is threatened (whether by breakdown of discipline or otherwise); or
- f) the Company is otherwise in material breach of the provisions of this Agreement.

5.7B A Termination Warning Notice issued by the Secretary of State in

accordance with clause 5.7A shall specify:

- a) the reasons for the Secretary of State's issue of the Termination Warning Notice;
- b) the remedial measures which the Secretary of State requires the Company to carry out, with associated deadlines, in order to rectify the defaults identified ("**Specified Remedial Measures**"); and
- c) the date by which the Company must respond to the Termination Warning Notice providing its representations with regard thereto and/or confirm that it accepts and agrees to undertake the Specified Remedial Measures.

5.7C The Secretary of State shall consider any response and representations from the Company which are received by the date specified in accordance with clause 5.7B(c) and shall confirm whether he considers that:

- a) in light of the Company's representations in response to the Termination Warning Notice, some or all of the Specified Remedial Measures are not required to be implemented (and if so which) and/or the Specified Remedial Measures are being or will be implemented with the specified timeframe; or
- b) subject to any further measures he reasonably requires ("**Further Remedial Measures**") being implemented by a specified date or any evidence he requires being provided, the implementation of such measures has been or will be successfully completed within the specified timeframes; or
- c) he is not satisfied that the Company will rectify the defaults identified in the Termination Warning Notice within the specified timeframes. (In such circumstances, the Secretary of State may notify the Company of his intention to terminate the Agreement on a specified date.)

5.7D The Secretary of State may by notice in writing terminate this Agreement with effect from a specified date if:

- a) the Company has not by the date specified in clause 5.7B(c)

responded to the Termination Warning Notice either confirming that it accepts and agrees to undertake the Specified Remedial Measures or providing its representations with regard to the Specified Remedial Measures; or

b) the Company has not carried out the Specified Remedial Measures and/or Further Remedial Measures within the specified timeframes;

provided that having considered any representations made by the Company pursuant to clause 5.7B(c), the Secretary of State remains satisfied that it is appropriate to terminate the Agreement.

Notice of Intention to Terminate

5.7E The Secretary of State may at any time give written notice of his intention to terminate the Agreement where the Chief Inspector gives notice to the Company in accordance with section 13(3) of the Education Act 2005 stating that in the Chief Inspector's opinion;

(a) special measures are required to be taken in relation to the Academy;
or

(b) the Academy requires significant improvement.

5.7F Any notice issued by the Secretary of State in accordance with clause 5.7E shall invite the Company to respond with any representations within a specified timeframe.

5.7G Where the Secretary of State has given notice of his intention to terminate this Agreement in accordance with clauses 5.7E and 5.7F and;

(a) he has not received any representations from the Company within the timeframe specified in clause 5.7F; or

(b) having considered the representations made by the Company pursuant to clause 5.7F, the Secretary of State remains satisfied that it is appropriate to terminate this Agreement;

he may by notice in writing terminate this Agreement, such termination to take effect from the date of the notice.

Termination with Immediate Effect

5.7H If at any time after signing this Agreement and before the Academy opens, the total number of prospective pupils having accepted offers of places to attend at the Academy in September 2014 is less than 210, the Secretary of State may by written notice to the Academy Trust:

- (a) require the Academy Trust not to open the Academy until 210 prospective pupils have accepted offers of places to attend at the Academy; or
- (b) terminate this Agreement such termination to take effect on the date specified in the notice.

5.7I If at any time after signing this Agreement and after the Academy has opened, the Secretary of State is of the opinion that, by virtue of low pupil numbers, the Academy is not financially viable, then the Secretary of State may:

- (a) give a Warning Notice to the Academy Trust; or
- (b) by written notice terminate this Agreement forthwith; or
- (c) by written notice provide such notice as he deems appropriate in the circumstances to terminate this Agreement.

For the purposes of this clause a “Warning Notice” means a notice in writing by the Secretary of State to the Academy Trust requiring the Academy Trust to procure the admission of a sufficient number of pupils by such date as he deems appropriate in the circumstances and setting out the consequences of not procuring the admission of a sufficient number of pupils by the date specified in such Warning Notice.

5.7J If at any time after signing this Agreement, the Parties agree that by virtue of low pupil numbers the Academy is not financially viable, then the

Parties jointly may terminate this Agreement having agreed first the precise terms of termination.

5.8 If the Company has not obtained full planning permission (including where relevant listed building consent) in respect of the Land by 30 April 2014, the Secretary of State may terminate this Agreement by notice in writing to the Company, such termination to take effect on the date of the notice.

5.9 If at any time after the signing of this Agreement but before the Academy opening date, the Secretary of State is of the view that:

1. the Academy would, on opening, provide an unacceptably low standard of education; or
2. the safety of pupils or staff at the Academy would, on opening, be threatened; or
3. the staff employed at the Academy are unsuitable; or
4. there is a serious breakdown in the way the Company is being managed or governed; or
5. the buildings and other structures on the Land are unsuitable or the Company has not obtained Building Regulation approval;

he may in writing either:

- (a) require the Company (i) not to open the Academy; and/or (ii) not to admit pupils of a particular age range, to be determined by the Secretary of State; and/or (iii) not to use any building or other structure on the Land until such time as the relevant matters listed in 1 to 5 above have been resolved to the Secretary of State's satisfaction; or
- (b) terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

5.11 If the Secretary of State has cause to serve a notice on the Company

under section 165 of the Education Act 2002 and a determination (from which all rights of appeal have been exhausted) has been made that the Academy shall be struck off the Register of Independent Schools, he may terminate this Agreement by notice in writing to the Company such termination to take effect on the date of the notice.

6 EFFECT OF TERMINATION

- 6.1 In the event of termination of this Agreement however occurring, the school shall cease to be an Academy within the meaning of Sections 1 and 1A of the Academies Act 2010.
- 6.2 Subject to clause 6.3 and 6.4, if the Secretary of State terminates this Agreement pursuant to clause 5.1, the Secretary of State shall indemnify the Company. If the Secretary of State terminates this Agreement other than pursuant to clause 5.1, the Secretary of State may in his absolute discretion indemnify or (to such extent if any as he may in his absolute discretion consider appropriate) compensate the Company.
- 6.3 The amount of any such indemnity or compensation shall be determined by the Secretary of State having regard to any representations made to him by the Company, and shall be paid at such times and in such manner as the Secretary of State may reasonably think fit.
- 6.4 The categories of expenditure incurred by the Company in consequence of the termination of the Agreement in respect of which the Secretary of State shall (where the Secretary of State terminates this Agreement pursuant to clause 5.1) indemnify the Company and may (where the Secretary of State terminates this Agreement otherwise than pursuant to clause 5.1) in his absolute discretion indemnify or compensate the Company include (but not by way of limitation), staff compensation and redundancy payments, compensation payments in respect of broken contracts, expenses of

disposing of assets or adapting them for other purposes, legal and other professional fees, and dissolution expenses.

6.5 Subject to clause 6.6, on the termination of this Agreement however occurring, the Company shall in respect of any of its capital assets at the date of termination:

(a) promptly transfer a proportion of the assets to a person nominated by the Secretary of State, if the Secretary of State considers that all or some of those assets need to be used for any educational purpose by that nominee. The proportion of the assets to be transferred shall be the same as the proportion of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later; or

(b) if the Secretary of State confirms that a transfer under clause 6.5(a) is not required, promptly repay to the Secretary of State a sum equivalent to the percentage of the value of the assets at the date of termination, or, by agreement with the Secretary of State, at the date of subsequent disposal of those assets, such percentage to be the same as the percentage of the capital contribution made by the Secretary of State to the original value of those assets, whether that contribution was made on the establishment of the Academy or later.

6.6 The Secretary of State may waive in whole or in part the repayment due under clause 6.5(b) if:

a) The Company obtains his permission to invest the proceeds of sale for its charitable objects; or

b) The Secretary of State directs all or part of the repayment to be paid to the L A.

6.7 The sale or disposal by other means of publicly funded land held for the purposes of an Academy is now governed by Part 3 of Schedule 1 to the Academies Act 2010.

Annex 1

Requirements for the Admissions of Pupils at Jane Austen College (“the Academy”)

GENERAL

1. This Annex may be amended in writing at any time by agreement between the Secretary of State and the Inspiration Trust (“the Company”).

2. Except as provided in paragraphs 2A to 3 below the the Company will act in accordance with, and will ensure that an Independent Appeal Panel is trained to act in accordance with, all relevant provisions of the School Admissions Code and the School Admission Appeals Code published by the Department for Education (“the Codes”) as they apply at any given time to maintained schools and with equalities law and the law on admissions as they apply to maintained schools. For this purpose, reference in the Codes or legislation to “admission authorities” shall be deemed to be references to the governing body of the Company.

2A The Company is permitted to determine admission arrangements that give priority for admission (but not above looked after children and previously looked after children¹) to other children attracting the pupil premium, including the service premium (‘the pupil premium admission criterion’). Where the Company exercises this freedom it will provide information in its admission arrangements of eligibility for the premiums.

2B For the purposes of applying the pupil premium admission criterion only, sections 1.9(f) and 2.4(a) of the School Admissions Code (2012) do not apply insofar as they prevent admission authorities from giving priority to children according to the financial or occupational status of parents or using supplementary forms that ask for:

- (a) any personal details about their financial status; or
- (b) whether parents are serving in the armed forces (of any nation), stationed in England, and exercising parental care and responsibility for the child in question.

2C The Academy Trust is also permitted by the Secretary of State to determine admission arrangements that give priority for admission (but not above looked after children and previously looked after children) to children whose parents have permitted Founders status. The Academy Trust should

¹ As defined in the School Admissions Code.

ensure that they grant Founders status according to the requirements of Charity law, which permit special provision to be made for a small group of the general beneficiaries of the Charity providing that the greatest benefit is to the wider community. The Academy Trust should only grant Founders status to a parent or guardian whom the Company has identified in its discretion as having genuinely played a material role in setting up the school and, where appropriate, whose continued role is deemed by the Company to be needed to establish the school in its early years for the benefit of the public as a whole.

3. Notwithstanding the generality of paragraph 2 of this Annex, the Company will not participate in the co-ordinated admission arrangements operated by the LA for the first year of opening but will participate in such arrangements operated by the LA in subsequent years and the local Fair Access Protocol.

4. Notwithstanding any provision in this Annex, the Secretary of State may:

- (a) direct the Company to admit a named pupil to the Academy on application from a LA. This will include complying with a School Attendance Order². Before doing so the Secretary of State will consult the Company;
- (b) direct the Company to admit a named pupil to the Academy if the Company has failed to act in accordance with this Annex or has otherwise failed to comply with applicable admissions and equalities legislation or the provisions of the Codes; and
- (c) direct the Company to amend its admission arrangements where they fail to comply with the School Admissions Code or the Admission Appeals Code.

5. The Company shall ensure that parents and 'relevant children'³ will

² Local authorities are able to issue school attendance orders if a child is not attending school. These are legally binding upon parents. Such an order might, for instance, be appropriate where a child has a place at an Academy but his/her parents are refusing to send him/her to school. The order will require a parent to ensure his/her child attends a specified school.

³ "relevant children" means:

- a) in the case of appeals for entry to a sixth form, the child, and;
- b) in any other case, children who are above compulsory school age, or will be above compulsory school age by the time they start to receive education at the school.

have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of the Company. The Independent Appeal Panel will be independent of the Company. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel is binding on all parties.

Relevant Area

6. Subject to paragraph 7, the meaning of “Relevant Area” for the purposes of consultation requirements in relation to admission arrangements is that determined by the local authority for maintained schools in the area in accordance with the Education (Relevant Areas for Consultation on Admission Arrangements) Regulations 1999.

7. If the Company does not consider the relevant area determined by the local authority for the maintained schools in the area to be appropriate, it must apply to the Secretary of State by 1 August for a determination of the appropriate relevant area for the Academy, setting out the reasons for this view. The Secretary of State will consult the Company and the LA in which the Academy is situated in reaching a decision.

Requirement to admit pupils

8. Pupils on roll in any predecessor maintained or independent school will transfer automatically to the Academy on opening. All children already offered a place at any predecessor school will be admitted.

9. The Academy will:
- a. subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with a statement of special educational needs naming the Academy; and
 - b. adopt admission oversubscription criteria that give highest priority to looked after children, in accordance with the relevant provisions of the School Admissions Code.

Oversubscription criteria, admission number, consultation, determination and objections.

10. The Academy admission arrangements will include oversubscription criteria, and an admission number for each relevant age group⁴. The

⁴ “Relevant age group” means ‘normal point of admission to the school: for example, year R, Year7 and Year 12.

Company will consult on its admission arrangements and determine them in line with the requirements within the School Admissions Code.

11. The Company must make it clear, when determining the Academy's admission arrangements, that objections should be submitted to the Schools Adjudicator.

12. A determination of an objection by the Schools Adjudicator will be binding upon the Company.
